Dear Parent/Guardian,

The faculty and staff of George Rogers Clark High School would like to thank you for your support in helping these students be successful. Students benefit from an environment in which we are “All In”. We are committed to preparing our students for the next step, whatever that may be. I am proud of our students and the effort they have put forth.

Thank you,

Jamie Keene
Principal

We will be honoring many students for their academic achievements. Even with our best efforts, mistakes, omissions, and errors may be made. Please bring those to our attention, and we will make the proper corrections.
